# FINESSE IN EVERY FINISH!

**Powder Coating • Electro Coloring • Wood Coating**

## **Powder Coating**

Our advanced powder coating process provides a high-quality, durable finish that resists chipping, fading, and wear. Ideal for metal surfaces, this eco-friendly solution offers a wide range of colors and textures to enhance the appearance and longevity of your products.

## **Electro Coloring**

Enhance the aesthetic appeal and corrosion resistance of your metal components with our electro coloring services. Utilizing cutting-edge technology, we offer vibrant, long-lasting colors that add value and beauty to your metal items.

## **Wood Coating**

Protect and beautify your wooden surfaces with our specialized wood coating solutions. Our coatings provide a durable finish that enhances the natural beauty of wood while offering protection against moisture, UV rays, and wear and tear.

## INDIA'S MOST MODERN GLUE

**Benson**  
P O L Y M E R S

The No. 1 Instant Glue for Strong and Fast Bonds. This strong and long-lasting glue dries quickly. It sticks well to different surfaces in various industries, but it's mainly used for indoor jobs. You can use it to stick things like PVC, charcoal, acrylic, and Mica sheets onto PVC/WPC foam boards, MDF, HDHMR, Gypsum, Particle, and PLYWOOD boards.
